

HIP-HOP, EDM & HIGH-RISK EVENT INSURANCE Proposal & Supplemental Questionnaire

Thank you for allowing us to write your event insurance policy. Please review and make sure all information is correct and all desired limits are in place. The limits provided by this insurance may not be the ones required by your contract - it is your responsibility to ensure you are buying the insurance you need.

Please confirm all of the below required questions, if an answer is no, please STOP and call us.

General Safety

1.	My event does NOT include any stunts, pyrotechnics, aircrafts, hazardous activities, car races, precision driving, mechanical amusement devices, or film production.	YES
2.	Will your event take place in the United State or Canada?	YES
3.	My event does NOT have any bounce houses or inflatables on the premises.	YES

Security

We will require that there is at least 1 security guard per 100 attendees and that everyone must go through metal detectors.

4.	How many security personnel will be present?	
5.	Will there be metal detectors at all entrances and exits that attendees, performers, security and guests must go through?	YES
6.	Will the security guard be unarmed?	YES
7.	Will your event end at or before 2am?	YES
8.	Have you provided us with a copy your contract with the venue? (If not, please email us immediately!)	YES

More Info

9.	In two or three sentences, please describe the kind of experience you have running these types of events.
10.	Please advise how this event will be cordoned off.
